President's report A.K.A.

The Thomson Tribune

Happy Easter Mustangers!! Sun is out, snow is gone, but it's still looking brown and desolate out there, typical of an early Alberta spring. Had a chance to rip out to the Shuswap this last weekend, and the grass is green, trees are budding, and some early flowers are already blooming. However, driving past the snowbanks along the side of the road in the Rogers Pass that are still taller than my truck, reminds me that we could still be firmly within winters grip for several more weeks.

Who all has their cars out? As the forecast is not looking overly favorable for this weekends NMD celebration, it will not surprise me to find not all our beloved machines have seen the light of day this spring. Mine has only taken a small peak outside, and at \$1.92 per litre for premium, I'm not really in a rush. LOL! Those guys on the motorcycles tho? I think they are crazy!!

Thanks to all those that attended our March general meeting and participated in the majority vote that allowed the executive to continue planning our first

track day event. As mentioned, we have lot's more information coming soon, and watch for the opportunity to sign up for this unique experience. Since the meeting, we have been able to confirm that street legal convertibles and glass roof cars are allowed on the track, but the convertible tops must be up. This makes sense, and we are glad that all our sun worshipping cruisers are welcome. Keep your eyes peeled to your inbox for more information, and ways to sign up very soon!

Put June 11 on your calendar! That is the date for our Presidential Show and Shine, which again will be held in conjunction with Cam Clark Ford in Airdrie. This is a week or two earlier than years past, but we have chosen not to conflict with Fathers Day weekend, and another planned AMAC event on the 25th weekend, with details of that one coming up soon. (Can you say road trip?) Again, look to your inbox for details as we get closer to our premier event of the summer!

Quick reminder to register for the IMM in Saskatoon in Sep-

tember! As we haven't been able to an IMM since Great Falls in 2019, I'm certain you are all itching to hitch up the ponies and get the heck out of dodge. Really looking forward to this one! Get your tickets before they sell out!

So relieved that the majority of this Covid related pandemic appears to be behind and we can go back to a semi-normal state. So far, it's shaping up to be an incredibly busy year, and I'm really looking forward to it, however I'm not certain that my liver can, I mean seriously, do I need more reasons to drink beer than what the last two years already presented? Hahah.

In the meantime, get out there in the garage and finish those projects, apply some wax, check the torque on your wheel lugs, and let's get this party started! Tip: just don't look at the gas pump total when you fill up! Can't wait to see you all!
Scott

Alberta Mustangs Auto Club on Instagram!

Hey everyone, I am looking for submissions for the club Instagram account. Looking for photos of members cars at shows, or just out and about. If you have a story to go with it great, if not, no worries. The intent is to start a recurring, year round digital car show that shows off our members cars. Multiple submissions are welcome, though only one car will be posted at a time. I am also willing to meet up to take new photos if someone is looking to get some new ones for this summer. Please send submissions to abmustangsocial@gmail.com. Instagram account can be found at <https://www.instagram.com/abmustangsocial/>

Thanks! Ian B.
