## President's report A.K.A.

# The Thomson Tribune

August, August, August....one of my favourite, yet least favourite months. Smack dab in the middle of summer, with warm evenings and glorious sunshine. Also, the start of all the back-to-school commercials and shorter days. As we find our short driving season over the halfway mark, it's saddening to think that the cars will be going away soon, a point driven home by seeing the sun sit lower in the southern sky with each passing day. August is also my birth month, and as I sneak up the big 50, let's just say that I wish that it hadn't arrived so quickly already.

However, it's been difficult to find any faults with 2022 thus far. It has been a fantastic season and there are still numerous items on the upcoming calendar that will keep all of us gear heads happy! Really looking forward to the poker run on Aug 6, as this will be the first one in many years. They are always a hoot and will be curious to see what hand will take the day this time around! Not that I ever get a good hand! Lol. Many Thanks to Lakeview Automotive for sponsoring the launch location and lunch for this year's rendition. Please be reminded that all proceeds from the \$10 entry fee will be going directly to Branch #285 of the Royal Cana-

dian Legion. Can't wait to see you all out there!

Speaking of the Legion, be sure to clear the day and attend their second annual "Hoods on Horton" show, being held on Aug 14/2022. Entry fee is \$20 per car, and they are accepting donations to the Veterans Food Bank as well. Last year this was an excellent show that filled up extremely early and was a fantastic day. Look for an email to come out regarding a meet time to try and get all our ponies parked together. Wear red as well to Remember Everyone Deployed.

Saturday, Aug 20 is the date set for the Calgary Thunderbird Clubs annual show and shine, an event that has always been a very fun day. Being held at the Richmond-Knob Hill Community Centre again, where your able to park on the grass, which is always welcomed! Pre-registration is available on their website, and those registered by Aug 3 will have a chance to win the \$100 pre-registration draw! Registration is also available the day of the show, and is \$15 for the first car, and \$10 for the second. Come on out and support our sister club that also bleeds blue!

All of you will have seen the email that came out from the IMM com-

mittee, and I know many of you have already responded with your thoughts regarding the future of the IMM. There have been some interesting developments since, and really looking forward to seeing how it will shape up in the years to come. However, in the meantime, do not forget that Saskatoon's IMM is a mere few weeks away, and looks like it going to be an amazing, amazing weekend, and perhaps the last of a show in this magnitude. You do not want to miss it. If you have not registered or found a hotel, your time is running out! Look to your inbox over the next couple weeks for meeting and departure times on Thursday and Friday for those wishing to travel together. I'm super excited for this!

In the meantime, get those machines all shined up and ready to go! It's going to be a very busy couple weeks! Let's all hope the price of gas comes down just a little more tho! Hahah! See you all out there!

## **Alberta Mustangs Auto Club on Instagram!**

Hey everyone, I am looking for submissions for the club Instagram account. Looking for photos of members cars at shows, or just out and about. If you have a story to go with it great, if not, no worries. The intent is to start a recurring, year round digital car show that shows off our members cars. Multiple submissions are welcome, though only one car will be posted at a time. I am also willing to meet up to take new photos if someone is looking to get some new ones for this summer. Please send submissions to [abmustangsocial@gmail.com](mailto:abmustangsocial@gmail.com). Instagram account can be found at <https://www.instagram.com/abmustangsocial/>

## ***Lionel & Joy ...***

It doesn't get any better than a bright sunny day, top down, on a cruise with the club! It all started in 1972, I got a job and needed some fun wheels, I found a 1968 maroon, 6 cylinder, 4speed Mustang convertible. I had a ton of fun, and of course I regret selling that car, but life gets in the way.

My next Mustang was a New 1994 maroon v6, 4 speed fastback, the 1 first year of this body style paying homage to the earlier ponies that started it all. I loved that car, I drove it for years and had a ton of fun in that one too, but unfortunately it was mini-van time. It wasn't until 2007 when the urge to own another mustang hit me. Joy was keen to have a "fun car" after some shopping we found a maroon 2004, v6 automatic Convertible and the fun began. Joy drove the car everyday until she was rear ended by a minivan (damn mini vans) The Van was believed to be travelling at a high rate of speed, the car was a write off. The insurance adjuster was amazed after seeing it, her injuries were not more serious. For a few years after we had a "Brand X" Convertible sports car, but we just didn't like it as much as the Mustang, so in 2012 on my birthday I went to the "Sacred store" and test drove a Ruby Red (maroon) 2012 GT Convertible Premium, I called Joy from the car in the middle of my test drive and said; I'm buying a car.

That was an awesome car we had it for 2 years, I changed the hood and added some upgrades, it

was going to be my "last sports car" but in the summer of 2014 I started hearing about an all NEW Mustang for 2015, everything I read about the car sounded amazing. In August of 2014 I sold my 2012 and went back to the "Sacred store" and ordered a 2015 Ruby Red (Can't get off the maroon color) GT Convertible with the 50<sup>th</sup> anniversary package. I was asked; What options do you want? My reply: I want it all! At this point we hadn't seen a car yet, in fact not even very good pictures but I knew it was going to be "All that and a bag of chips" That is exactly what it is.

# AMAC Member Profile

## ***Lionel & Joy ...***

Joy has since purchased her own Mustang Convertible. It's Not Maroon but she loves just the same. We couldn't believe our luck. We found a 2008 in Innisfail with 30K, KM. We had to buy it! It was meant to enjoy the sun. Joy said the "only" thing it needed was the right grill. Had to have fog lights and the pony in the corral, like the early 60's. After the grill was the stripe, sequential tail lights, and tires. I've heard mention of a tune in the near future. So glad she's made it her own.

The best part of owning a Mustang is being part of this amazing club. Over the winter, while waiting for my 2015 to arrive, we went to the 2015 World of Wheels car show, we stopped

at the AMAC booth and had some great conversation with members in attendance. People we spoke to were friendly and enthusiastic, unfortunately I don't recall who it was we spoke to, but we joined the club then and there. Being members of AMAC has been a really great time for us, we really enjoy all the social gatherings and the good company of the members. It is such a great community of car people who are there to have fun and share stories and experiences. We always leave every event really appreciating all the members and the extraordinary work of the volunteers and the Executive. Thank You to all who make this club such a great organization.
