## President's report A.K.A.

# The Thomson Tribune

Hello Legends!!

We are currently experiencing some very beautiful summer like weather this weekend and the trees have barely started to change colours, but, one cannot help but notice the date on the calendar to realize we are in the very last days of the 2022 cruising season. It is so nice today however, that I paid the full \$93 fee to re-register the Roush so I can get at least another Sunday Funday session in. Typically Shannon and I will not register them again after it expires at the end of Sept until March or April, thus paying the prorated rate..but with not a cloud in the sky and 22\* highs forecasted for today? Who cares! It was a glorious day of cruising with the windows down and the tunes pumping...so good! Really didn't have a destination beside my buddy Vince's house to try and di-

agnose a leaking clutch situation, and share a couple brewskis sitting on the driveway, but I will take it for Oct 2nd! Hahah. The company was pretty good too I may add!

However, it still is the saddest time of the year for myself, knowing full well that soon we'll be putting away the cars for a long slumber and those minus temps and snow are just few mere weeks away...sigh.

Alas my Mustang peeps, although the weather outside may dictate that we are not rolling around too long in our ponies in the foreseeable future, this is the time of the year when all the work gets done. Upgrades, cleaning, serious polishing and the like, there is no better time than the winter months to dedicate some evening and weekend thrashing to making our cars better. While I have no serious plans on upgrades for my Stangs this winter,

there is a certain 1980 F100 that is going to have a complete heart transplant and some serious attitude adjustment during the dark season! I would love to hear about all the upgrades everyone may be planning in the off-season, or better yet, looking so forward to seeing them in the flesh once Spring comes around! If your bored, drop me a line, and feel free to come on over and lend your expertise with my motor swap! I always have beer!

Interestingly enough, this is actually the most active season for the AMAC exec as we start to plan for 2023 events. World of Wheels, Presidential, Spring Fling planning are already in the works, and you are not going to want to miss 2023

Continued...

I was ecstatic to see a bunch of new members at our Sept meeting, and am so looking forward to getting to know you and your cars!

With such an enthusiastic exec, great sponsorship, and fantastic members plus such an exclusive list of member cars, this is the place you want to be! With that being said however, I do want to remind everyone that AMAC is a members club, and we are always looking for new ideas, thoughts, comments, suggestions, or just general feedback. Got a good

idea?, hit me up via email or phone, or any of exec members for that fact. All our contact info is available on the website!

As we head into October, be reminded that nominations are open for all positions on the AMAC exec, and this a great way to be involved! If you are interested in sharing a couple wobbly pops and helping shape AMAC in the next couple years, do not be shy to throw your hat in the ring. Send your nominations to [amac-news@shaw.ca](mailto:amac-news@shaw.ca) or bring them forth at the October

27th meeting at Branch 285 of the Royal Canadian Legion. Elections will occur in November along with our annual AGM.

In the meantime folks, keep the shiny side up, (or covered safely in the garage) and if you have any question, concerns, or thoughts, please do not hesitate to contact me directly at [ststbkt@shaw.ca](mailto:ststbkt@shaw.ca) or 403-510-1869.

Cannot wait to see you all again real soon!

# IMM - Saskatoon

**AMAC made a great turnout for IMM 43 in Saskatoon! We had 57 cars at my count! Kudos to the Saskatoon Club who put on a fantastic weekend for everyone!**

Our Calgary club took home lots of awards at IMM43.  
Congratulations to our winners, not all are pictured here!

One of the coolest trophies was for the Pedal Car Class, and Al Fletcher from AMAC took that one home!

Unfortunately one of our AMAC members also took home the Hard Luck award. A large 8' table blew into his car while he was waiting for tech and pictures! Kevin Nelson you took it well! Hopefully Randal D. can fix it up just right!

And best of all, AMAC once again took home the Club Participation award!

THANKS for coming out everyone. As usual IMM was a very fun time for all who participated!

THANKS to all the hard working volunteers in the Saskatoon Mustang & Classic Ford Club!

*"Apparently, the Headless Horseman has upgraded his mode of transportation to something much cooler."*
