## President's report A.K.A.

# The Thomson Tribune

Summer is here Legends! Well, T minus 20 or so days until the solstice that actually marks the official start of summer, but 4 grass mows in and 27 degrees on the old thermometer suggest that it has truly arrived up here in Stampede City. We are NOT going to discuss the fact that the summer solstice also means that the days will start getting shorter after eclipsing at a beautiful 18.1 hours of daylight on June 21st, and we're just going to enjoy the days as they come! Although we are just starting to get into the summer and the busiest time of the AMAC calendar, it occurs to me quite readily that we have already had a busy 2023 up to this point. WOW was incredible, and successful, once again taking the victory on the club challenge! A mere few days ago, Amanda and Randal hosted a very entertaining Spring Fling at Big Sky BBQ, with good eats and awesome entertainment. With 74 participants, it was also one of the largest Spring Flings in recent memory. Those that were present were fortunate enough to see some long term members receive lifetime membership rewards after over thirty plus years of dedication to our little club here. Russ and Teresa Penner, and Wayne

Hume - please take a bow! (Haha enter snide remark from Randal claiming he wasn't even born yet!) Not to be outdone by a few lifers, our own heckler Kevin Nelson was awarded with Ted Brailsford Memorial Award given to the most active member. Then to top it all off, Kevin also won the 50/50 raffle for the custom painted bar fridge! What a day! Thanks again Randal and Amanda!

2023 has also brought us some sadness as we said our final goodbyes to another lifetime member, Don Nelson. It was a beautiful service on a beautiful day and we were able to stuff the parking lot full of ponies. As we found out, Don was a man of many talents and passions, but it remained clear that Mustangs and AMAC was a great part of it for a very long time, and he will be missed by many. Our sincerest condolences to Ruth, family and friends.

But, now here we are! June! The month of our premiere Presidential Show and Shine (and shop!) As you may have already heard a time or twenty, we have moved the event from Cam Clark Ford in Airdrie to approx 60 kms away to the Deep South of Calgary. Hosted in the parking lot of Township, Legacy, this is

promising to be an ideal location for such an epic event. With over 75 shops, services or businesses within a 2 or 3 min walk, there is going to be something to do for everyone! With AMAC's sponsorship director Gary Foster leading the charge, I'm pleased to announce that all our sponsors are on board again for 2023, plus some additional new ones that were announced at our last general meeting plus even some new ones since! Well done Gary, and many thanks to the Mustang Shop, Dale Adams Automotive, Lakeview Automotive, Western Motorsports and Old is Gold! It couldn't be done without you! Registration begins at 9 am, and will be \$20 for your first car and \$10 for each additional car. In my best memory, the most amount of cars we had at a Presidential was 147 on a most epic day at the Grey Eagle many years ago, so we are not worried about space, but we do have a limit of 207 spots if used effectively, so be sure not to arrive late as you may not get a spot if the weather co-operates!

Continued...

## The Thomson Tribune cont'd...

There will soon be a call out for some voluntolds that can assist in parking duties and manning (or is it personning?) the registration tent, but as always, I know so many of you will be there bright and early to help out as you always do! The only downside - no pancakes this year from Vince. Sorry folks!

A similar format of the Ten Best, plus some additional special awards like we have done the last few years will be followed, but there is a couple of nice surprises this year! Tell your friends with the FoMoCo's, trucks and T-Birds to be there!

On a side note, the Canadian

Brewhouse in Township has graciously jumped into the Presidential sponsorship role by donating some epic door prizes plus will have a staffed tent out with us during the day doing draws etc. Many thanks to the general managers Tony and Ziggy, plus Stephanie and Amanda Wouterse! We have also reserved a large portion of the patio for an after show party, so be sure to get on the list, even though I'm sure there is room for everyone!!

I use a small font on the Textedit program of my Mac, so this report does not look that long, but once it gets formatted to Cindy's newsletter, I'm certain it's many paragraphs past the point of mindless drivel, so

I'm going to cut it here and save some content for future versions! However, as always, we on the executive always welcome new ideas, events, concerns, questions that you all may have. Do not hesitate to send them directly to me! In the meantime, you have approx 3 weeks to get that car shined up and ready to rock!

*Scott*

## Alberta Mustangs Auto Club on Instagram!

Hey everyone, I am looking for submissions for the club Instagram account. Looking for photos of members cars at shows, or just out and about. If you have a story to go with it great, if not, no worries. The intent is to start a recurring, year round digital car show that shows off our members cars. Multiple submissions are welcome, though only one car will be posted at a time. I am also willing to meet up to take new photos if someone is looking to get some new ones for this summer. Please send submissions to [abmustang-social@gmail.com](mailto:abmustang-social@gmail.com). Instagram account can be found at <https://www.instagram.com/abmustangsocial/>

# IMM Calgary Update

Hey Legends,

Your IMM Committee is hard at work already. Sponsorship is our biggest job at the moment, Randal Dewdney and his team — Gary Foster, Lionel Sale and Kevin Nelson are pounding the pavement for us. Any ideas for sponsorship are appreciated, please feel free to talk to any of Randal's team. Huge thanks to The Mustang Shop who have already stepped up as a Platinum Sponsor!

We are also working on our presentation for Montana at their Sunday banquet. We will be filming video of some of our summer cruises for the presentation.

Gary is continuing to work our branding for posters, T-shirts, etc. I think our logo is modern and classy and will look great on our IMM T-shirts.

Jim, Gary, Russ are pulling together our car classes, this will be an evergreen document that will change as registrations come in.

Amanda and I have switched some jobs, I will now be managing our budget and capital spending, and Amanda will be working apparel and organizing the Sunday banquet along with the Friday Social. Amanda is also looking now at possible venues/ideas for a Saturday night event, as it turns out Lynnwood Ranch has closed. I am confident our events throughout the weekend will be awesome!

Randal has appointed Vince Stevens to lead the Sunday Cruise team, so please talk to Vince or Randal if you are interested in helping out with this.

I will continue to try and keep everyone updated and informed! Look for us on FB at **International Mustang Meet 45**.

# **SPRING FLING**

Big thanks to Amanda Chomiak & Randal Dewdney for their hard work organizing the Spring Fling this year. This awesome bar fridge was donated by Amanda and hand painted by Randal (at no cost) for our 50/50 draw. Kevin Nelson was a pretty happy guy to take this home.

Kevin was in for another surprise as the winner of the AMAC “Teddy” award, named after an AMAC favorite Ted Brailsford. This award is given to our most active volunteer member. Looks like he was surprised!

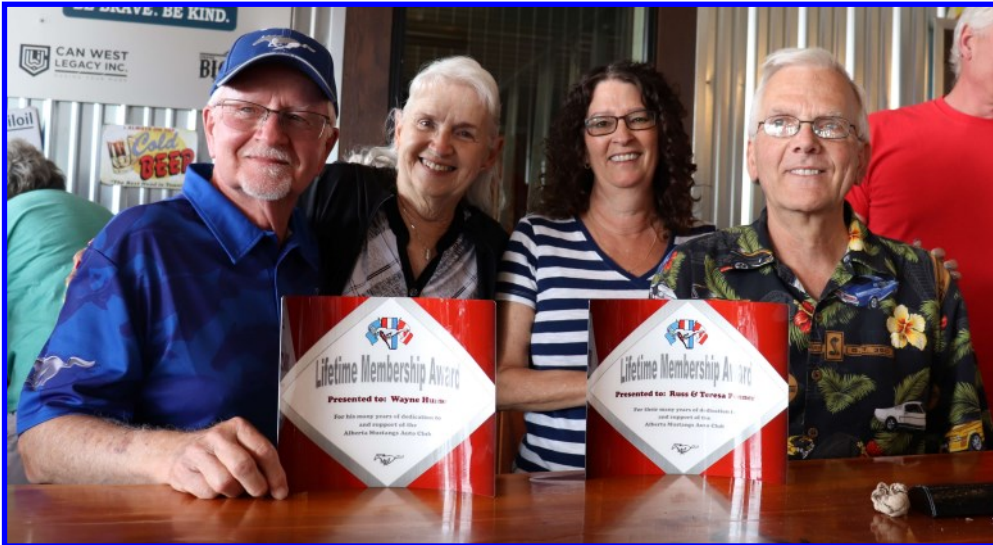

**Congratulations Kevin!**

**Thank you AMAC for coming out and for making it a great day! This club always has so much fun because of our awesome members!**

# AMAC Appreciation

AMAC honoured long time members Wayne Hume and Russ & Teresa Penner with Lifetime Membership Awards. In gratitude of their many years of commitment to our club. They have all worn different hats on our executive council over more than 30 years.

Wayne & Russ have been AMAC's representatives on the IMM Committee for over 20 years. They co-chaired the IMM in Calgary in 2004, and Teresa was a large part of that as well.

It is this kind of dedication that makes our club so great!  
**THANK YOU!**

# National Mustang Day Cruise

Vince did the club proud with a great first cruise of the season for National Mustang Day! We had a great turnout of about 36 cars. The scenery was beautiful and our lunch stop was awesome!

## IN MEMORIAM

### KYLE RONALD PORTER—FIREFORCE VENTURES FOUNDER

AMAC members George & Nichole Poster recently lost their son Kyle in his fight to help the people of the Ukraine in their war against Russian tyranny. The following was written by Kyle's business partner. There are not enough young men like Kyle in this world.

**Note:** Please consider support Kyle's family in the repatriation of his remains via the following link: <https://www.gofundme.com/f/318ubtq8y0>

**Kyle Ronald Porter** was one of the Fireforce Ventures Corporation's original founders. He was killed in action in the vicinity of Bakhmut as an attached member of the 92nd Mechanized Brigade of the Ukrainian Ground Forces on 26 April 2023. He had been engaged in sustained combat in Ukraine since December 2022.

At the time of his death, he was a member of "Code 9.2", a sub unit within the Legionnaires Special Service Group of the Ukrainian International Legion. He had also served with the 1st Infantry Battalion, Ukrainian International Legion. He had been to Ukraine twice before as a Search and

Rescue technician with a humanitarian non-profit organization, recovering wounded and deceased civilians in Kiev and Kharkiv. Prior to this, he had spent two rotations in Southern Africa on anti-poaching missions and had served in the Canadian Armed Forces as a Medical Technician in 15 Field Ambulance and CFB Wainwright Health Services. He had also adventured around the world, diving the Scapa Flow wrecks, skydiving in Arnhem to commemorate Operation Market Garden, hiking the route of his Jacobite ancestors in the Scottish Highlands, and ranging on the African veldt on anti-poaching operations. He often went by the name "Roland", after the mythical headless mercenary described in his favorite song by Warren Zevon.

In his short 27 years, he had seen, accomplished and overcome more than all of us. Perhaps his proudest moment was being given the moniker "Ndlovu", the Shona word for "elephant", by a legendary member of the Rhodesian Selous Scouts. He proudly displayed this with a massive tattoo on his left shoulder bearing a depiction of an elephant, superimposed onto the African continent, a Matabele cowhide shield, and a Shona assegai spear.

## IN MEMORIAM - Continued...

Kyle founded Fireforce Ventures with Henry "Hank" Lung in the muggy summer of 2016. Many knew him by his alias "Roland", given his globetrotting, gunslinger adventures around the world. Kyle was not only a friend, but an integral part of Fireforce Ventures as a company. He was the one who roped Hank in all of this, after BMQ, askin' him "Hey, do you think we can buy Rhodesian Brushstroke?" He was the one who spent a those summer nights in 2016 figuring out how the hell to start a business, pay taxes, and source milsurp. Kyle came up with the name "Fireforce Ventures", and drew up the rough design for our logo which has now stood the test of time. Kyle also emphasized attention to detail and a deep respect for the hard-won military heritage that comes with the word "Fireforce".

However, being a combat medic was Kyle's passion first and foremost. Ukraine was the ultimate test of his Soldiering abilities, Kyle harbored no love for any political extremes, and they played no factor in his decision to volunteer in a combat unit.

He wanted to truly "run with the Buffalo" in a sense. He hated war, and yet, he was never happier or more fulfilled in life. He had arrived on the front lines to fight with the Ukrainian cause in December of last year, and had faced his baptism of fire on Christmas eve courtesy of a massive Russian artillery barrage. He saw no "Reddit Brigade", or Western wannabees.

He fought as a regular "Doc" in some of the worst theatres of the entire war. After months of hard trench fighting in northern Ukraine, he personally requested to be sent to Bakhmut where the fighting of the Russo-Ukraine War had been fiercest over the past few months. In the mud of Bakhmut, Kyle saved many lives as a team medic, no matter what uniform they wore. We know when he fell, he fell with a smile on his face.

**Kyle was Fireforce Ventures. Rest in Peace.**
