President's report A.K.A.

The Bateman Banner

I hope that many of you have been able to take part in the many AMAC events your Executive team have organized for us.

Matt and Amanda Carpenter have been instrumental in setting up and coordinating these amazing social distancing cruises. The weather has also cooperated in most cases to make each of these events a great day. We cruised highway 40 to Kananaskis Country lead by Matt and Amanda with a very brief sprinkle of rain, but a fantastic hotdog lunch coordinated and set up by Vince. Our next brunch and cruise was to Aspen Crossing in Mossleigh for a tour and more great food. Then we had a double header as Matt sent some Mustangs to Golden BC and others to Gleniffer Lake for a shorter cruise. We all ended up at the Toad and Turtle at the same time for a quick bite. Please join me with a massive thanks to Matt Carpenter for setting up all these cruises for us, well done.

Your Executive team are

working on many more events for all of us, but these may be limited to the first to respond, as they will be the first to be served, due to the Covid 19 Alberta rules. As we are all concerned with the ongoing pandemic and not being the group that generates an outbreak, can you please respond to the event coordinator when you are planning to attend a cruise or event? These events are planned for the safe enjoyment of the members, but we need to remain within the crowd limits that the Alberta health group have set for us.

This fall will be our AGM and I hope that we will be able to attend in person, as this will also be our nominations for your Executive team. We are always looking for those seasoned and/or new members to get involved and bring forward some new ideas for the growth of the club, so if you have been thinking about getting involved, please reach out to our Past President Scott Thomson ststbkt@shaw.ca or any of your Executive team. Some of the other updates

and items of interest; we have been working on is a Labour Day weekend event with a limited car number member only Show and Shine in High River. We have also been reviewing the liability insurance we currently have with SVAA and determining if we can enhance this for the members. Your Executive team is working on creating job descriptions for each of the positions held, to give those interested in stepping up some background. Ken Werner will be capturing all the dates and times of other cruises and car shows going on in and around Calgary and share with all of us to attend. We have 15 new members in 2020, and many have been joining in our cruises and posting on our Facebook page.

Please stay safe and ensure to follow the social distancing rules when attending any club events or other summer activities

Cobra bites man.

Both live.

And once bitten, there is no known cure except a long, quick drive down a snake-like road where Cobra II can show off its rack and pinion steering. Not to mention the slithering four-speed stick-shift, and 2.3 litre engine. And with front/rear spoilers, black louvered back lite and quarter windows, hood scoop, sporty tires, wheels, (car shown with optional aluminum wheels) and stripes, this is one snake that doesn't have to shed its skin. So if you're looking for some snake bite remedy, see your local Ford Dealer.

HIGHWAY 40 CRUISE!

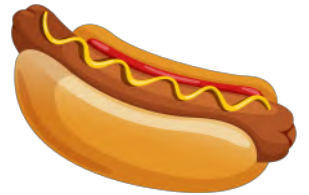

In early July we took an beautiful cruise through Kananaskis on Highway 40, with a great stop for a BBQ. It reminded me how beautiful our Province really is, we do tend to take that for granted sometimes! Though our lunch got off to a slow start, the hot dogs were delicious, the company was awesome (as always) and the scenery fantastic! Kudos to Matt C. for organizing, and to Vince and Tracy a big thanks for the yummy lunch!

Alberta Mustangs Auto Club on Instagram!

Hey everyone, I am looking for submissions for the club Instagram account. Looking for photos of members cars at shows, or just out and about. If you have a story to go with it great, if not, no worries. The intent is to start a recurring, year round digital car show that shows off our members cars. Multiple submissions are welcome, though only one car will be posted at a time. I am also willing to meet up to take new photos if someone is looking to get some new ones for this summer. Please send submissions to abmustangsocial@gmail.com. Instagram account can be found at <https://www.instagram.com/abmustangsocial/>

Thanks! Ian B.

AMAC Member Profiles

We thought it would be fun for us all to learn a little bit about each other. So we are adding this new piece to the newsletter. If you would like to tell us a bit about yourself, please send an quick paragraph or two and a couple photos to amac-news@shaw.ca.

Gary & Cindy

Well, since I couldn't convince anyone more interesting to participate....

Many of you will not remember that when Gary and I joined AMAC we were sporting a red 1968 coupe! She was a beauty that we actually purchased in Ontario and shipped out to Calgary by train. We could not find what we were looking for in Alberta, and since we were making a trip east to visit family, we decided to have a look at what was available there. She as in pretty good shape, though Gary had to redo the interior.

One fateful day while having a conversation with Jim B., I casually mentioned that the California Special had always been my favorite Mustang. Jim got quite excited and informed us that he had one sitting in his yard. It will need to be restored he said, it fill be fun he said. You know what, her was right! Gary and Jim then spent a year and a half putting our baby back together.

Continued...

Gary & Cindy...

She was finished just in time for the 2007 IMM in Great Falls, MT.

While we were waiting for our GT/CS to be completed, we caught a glimpse of the new retro stylized 2005 Mustang, and well, we just couldn't resist! So In December 2004 we picked up our Legend Lime 05 at Advantage Ford.

As Mustangers tend to do we striped her up and added a few "must go faster" parts!

We eventually sold our Legend Lime beauty and purchased a guard green 2015, which we again striped up and hopped up! We Mustangers just can't help ourselves when it comes to our ponies! We have loved all of our Mustangs, and have memories of good times in each of them!

We joined AMAC back in 2004, and haven't looked back! We have made so many wonderful friends in this club and we still have a great time on cruises and at club evens. We look forward to the IMM every year, and while we are stalled for this year, I'm sure next year in Boise will ROCK!
