President's report A.K.A.

The Thomson Tribune

October. Holy smokes Legends, I cannot believe that had to be typed already! Like seriously, where did the summer go? I ask that question every year, even though I already know the answer and realize there is not a single thing we can do about it, it still seems to sneak up on me every time, lol. It makes me laugh, as when I was discussing this month's newsletter with Cindy, she was happy as there are lots of activities and content to recoup, understandably after a packed summer driving season. Me? Unfortunately, not so much! October officially marks the date in which the registration expires on all our fun cars, and in an attempt to save some \$\$\$, we wait until March/April in the new year and pay the prorated amount, but when you couple that with the leaves changing and scraping frost off the windows, it is double depressing.

However, in attempt to thwart this season induced psychosis, we can look back on the incredible driving season that it was, and use that, in addition to a hot toddy or two, to bring some joy or warm fuzzy feelings back into what I find is a not so joyous time of year. Or is that just the hot toddy? Haha!

WOW came and went once again in the early parts of the spring, with AMAC once again taking the crown in the Club Challenge! Just recently, I heard that the 58th Annual (!!!) was the last World of Wheels to be ran and organized by the long running chairman, Bill Knecht, along with the support of his family. 34 years as chairman is an impressive feat, and a standing O to you sir! But, have no fear, as the Calgary tradition will return April 16-18/2027 with a new chairman at the helm, and AMAC will begin planning our participation once again late 2026, or early 2027!

The annual spring kick off, aka Spring Fling was also an epic, must be attended event. Great food, company, and a rousing game of Mustang Trivia separated the nerds from the not so nerdy and was an absolute riot. Hosted way, way up North in Airdrie this year at the 525 Restaurant and Patio at the Woodside GC, we were able to feast on some delicious chow to top it all off! Watch for this annual season kick off event early in 2027, and in the meantime, chew on these trivia questions below! First 5 people sending the correct answers to my

email will get entered in a draw for a \$50 GC during October's general meeting! Good luck!

sthomson@trecc.ab.ca

Although seemingly synonymous with the Mustang, what was the first year when sequential taillights were offered on a Mustang?

How many times, and what years, was the Mustang awarded with Motor Trends "Car of the Year?" Bonus – what Ford car has won it more times?

The SVT Cobra R was offered in three different generations, what were the years and production numbers of each R model? (for those doing early Xmas shopping, I take size "any one of them" lol)

The 2026 and 42nd Annual Presidential was a huge success with Mother Nature completing her end of the bargain and being able to host 124 amazing cars and trucks. We went with a simpler format this year, which allowed everyone to park next to your friends (or whoever was in the line up ahead/behind you, lol) or have your own cars parked together as opposed

The Thomson Tribune continued...

to parking them in classes. It was a super-hot sunny day, and I think there were more than a couple of sunburns suffered. HUGE SHOUT out as always to our amazing volunteers who manned the registration tent and assisted with parking, set-up and tear down. You all make it seem so easy! This year we also went in a new direction by having electronic registrations and voting, which on all counts was a huge success! Look forward to using this format in the future with even more enhancements.

What can I say about Hoods on Horton that hasn't already been said? Our HoHo team absolutely knocked it out the park, making it one of the best years ever! Many

thanks to everyone that came out with their cars and volunteered to help our veterans in the finest way we know how!

Tip of the hat to the GVMA and their successful hosting of IMM 47 in Richmond B.C. If you were there, you know what I'm talking about! It was an incredible drive out and the weather turned out perfect. I could not attend the last time they hosted in 2014, so I was eager to get there this year. Aside from paying 234.9 for 91, it was an amazing weekend. Already looking forward to IMM 48 in Boise Idaho! Have you booked your room yet?

So, as always, as we head deeper into fall, preparations for next year's driving season will begin with our executive team. If you have any suggestions on activities

or events you would like to see or participate in, please drop any one of us a line! Also know that there is always room on our executive team for enthusiastic members willing to help keep and continue growing this Mustang club to the greatest ever! Open executive positions will be posted prior to our November AGM and we will be accepting nominations for every position on the executive.

But alas, even though it's the end of the driving season for most of us stuck here in the Great White North, now is the time to get those projects fired up in the garage. I have a huge list of tasks that I plan on getting done this winter, but first and foremost, another hot toddy!

See you all very soon! **Scott**

AMAC Christmas Party to follow the AGM

IMM 47 RICHMOND B.C.

There were lots of AMAC members in Vancouver for the IMM. The Show at Tsawassen Mall was awesome, kudos to a bunch of AMACers who got up so early to park all those cars!

THANKS GVMA for a great weekend!

AMAC , you did yourself proud with 48 cars at IMM in Vancouver, and about 25 of those took home awards! **CONGRATULATIONS** to all those winners!

Calgary once again took home the club participation award!

THANKYOU! AMAC SPONSORS

Welcome to the AMAC sponsor page. We the Alberta Mustang Auto Club would like to wholeheartedly thank the organizations listed below for their ongoing support and sponsorship. Their assistance, donations, dedication, and professionalism throughout the "car season" and the rest of the year are a big part of our club's success.

PLEASE SUPPORT THOSE THAT SUPPORT US!

Hoods on Horton

Huge shout out to Gary, Darrel, George, Lance & Lionel for their hard work and organizational skills putting on the Hoods on Horton 2026 show. This show raises money for the Veterans Food Bank, a really great cause to help true Canadian heroes.

THANKS to all the AMAC Volunteers who helped out to make the day happen! THANKS AMAC for showing up in big numbers!

Russ P. won the \$100 and club shirt fro attending both Carstairs and HOH. AMAC Spirit is alive & well!

Deerfoot

INN & CASINO

“Comfort at it's finest! With 188 luxuriously appointed guest rooms – including 28 spacious suites that offer breathtaking mountain and city views – the Deerfoot Inn & Casino is Calgary’s most exciting hotel, convention centre and entertainment complex.”

Carstairs Show

We had a great turn out at the Carstairs show, this is a really great small town show, fresh pies available at the seniors centre, and a craft market in the arena.

A few members also took home some nice awards! And we wished Dave C a happy 60th!

Wright Restyling provides solutions to anything inside the door handles of any vehicle. We design and install Katzkin leather interiors with custom embroidered logos. We design, install and tune small to large audio systems. Integration to factory systems has become very important in today's tech rich vehicles. Our team is able to retain key factory systems, remove factory audio filters and provide a clean unfiltered baseline for audio upgrades. We can custom build sub boxes, consoles, door panels and speaker panels. With these services blended together, Wright Restyling can upgrade an entire interior with any of the desired comfort features available.

Feature upgrades available: Heated / cooled seats, remote starters, GPS tracking, laser and radar defence, interior lighting, blind spot, backup cameras, parking sensors, 3D printed custom panels, CNC aluminum and ACM.
